

We Moved a Record Number of Loads This Week, and I Still Had Time to Coach Varsity Soccer.

Aljex has tools for freight brokers that change the way you do business. Tools that *no other* TMS system has. Like Smart-Search™, an automated way to contact carriers about freight you need to move. Tools like automatic reminders to let you & your carrier know if a shipment needs attention. Why work so hard when Aljex can do it for you?

Contact Aljex today to arrange a demo and see how we can help your business.
