

# DESCARTES™ Aljex

## FEATURES & NOTIFICATIONS Carrier Contract Addendum (5/25/2018)

In the Carrier File, a field has been added for Contract Addendum which can be used to designate an additional document above and beyond your standard broker carrier agreement. In the dispatch section of the Customer File, there is also a field to designate if you require this to cover a shipment. This will be tested for Brokerage shipment only.

**Carrier File**, this is location under the insurance data
