(E)mail or (F)ax	<input type="text" value="N"/>
Fax #	<input type="text"/>
Arrived Consignee (Y/N)	<input type="text" value="Y"/>
Delivery (Y/N)	<input type="text" value="Y"/>
Attention	<input type="text" value="YOUR MAJESTY"/>
Email	<input type="text"/>

- Two new fields 'Arrived Pickup' and 'Arrived Consignee' have been provided
- The user can enable Arrived PU and Arrived Cons notifications to be sent to the customer by placing a 'Y' in either or both of these fields.
- The email output will send to the same contact specified already in Customer file for Pickup and Delivery confirmation emails.
- Email output will look the same as current Pickup and Delivery Confirmations, and will be sent upon 'Arrived Pickup' and 'Arrived Consignee' status changes accordingly.
