

NEW FEATURES & NOTIFICATIONS (3/16/2018)

User Minimum Line Haul Charge Over Ride

User minimum line haul charge will over ride the company default minimum charge. When adding a shipment this is calculated into the credit check.

From the Vision Setup Tab, this is located in each user's profile. If there is no value (the field is blank), the company default will be used. 0.00 is treated as a value, if you don't want to use this feature make sure the field is blank.
